

HEART SAFE COMMITTEE
JANUARY 23, 2024
MEETING MINUTES

Members Present: Cheri Olson, Angie Boettcher, Mike Poellinger, Tom Carpenter, Linsie Hempleman, Eileen Krenz, Dave Krenz, Darin Daveau, and Luke Ahlschlager

1. Recognition Date/Press Release

The Heart Safe Recognition presentation will be held at the February 12th, 2024 City Council meeting at 5:00 p.m. at the Community Building. We have asked News 19 to be present. Cheri Olson will give an overview of the Heart Safe Community and then Kim will present the award.

2. Logo/Promotional Materials

Angie will reach out to Summer Thorson to see what the cost would be to develop and print Hands-only CPR instruction cards, a table banner, and window clings with the La Crescent Heart Safe Community logo.

3. Loaner AED Update

The plan to go “live” with the loaner AED is February 14th. The La Crescent Police Department will be in charge of loaning the AED out to the public.

4. Year 1 Plan

Discussion was had on a variety of topics moving forward for the year one plan.

5. CPR/AED trainings – 2024 Calendar

Darin and Cassie will keep a calendar and count of how many trainings are done throughout the year. This is something that must be tracked.

There are several dates already set for events in 2024 where the Committee could set up a booth. Angie will prepare a Google Calendar where Committee Members can sign up to volunteer at the events. Angie will also work on putting together a kit for the events. Cheri said she has a mannequin that can be used as well.

6. Presentations

Cheri presented to the La Crescent Chamber of Commerce last fall and they agreed to help spread the word to businesses regarding the training of staff in CPR/AED.

7. Next Meeting

The next meeting will be held on Tuesday, April 30th at 3:00 pm in the Community Building.

The meeting adjourned at 3:50 pm
